PRIVATE CONTRACTOR/ GOVERNMENT PROFESSIONAL

Trustworthy, focused and result driven professional has more than 23 years of notable experience developing and implementing innovative solutions and improving organization productivity. Displays technical proficiency in on-site analytical identification of CBRN hazards and in-depth knowledge on public health preparedness, laboratory accreditation, team coordination and process improvement. Professionally networked at the State and Federal levels regarding CBRN policy and guidance documents.

A versatile candidate with strong leadership qualities establishes professionalism, integrity, sense of urgency and strong work ethics. Accomplishes complex projects with uncompromised quality notwithstanding time and budget constraints.

- ✦ Versed in Inter Agency Networking
- ✦ Analytical & Communication Skills
- ✦ Mastery in On-Site Analytics
- ✦ Strategic Management & Implementation
- ✦ Profound Time Management Skills
- ✦ Problem Solving & Organizational Skills

PROFESSIONAL EXPERIENCE

4th CST-WMD Georgia Army National Guard Jan 2015 – Present

Civil Support Team Deputy Commander

- ✦ Represented the Chain of Command ensuring that the Team functions as a single and cohesive unit; served as a staff coordinator, trainer, coach, teacher and mentor.
- ✦ Developed and implemented the Civil Support Team (CST) budget; supervised the Government Purchase Card program for CST cardholders.
- ✦ Coordinated with local, state and federal agencies to conduct joint training; assessed current threats to the homeland.
- ✦ Established and led an Operations Center during field response operations; led the CST staff and supervised all detection, sample collection and identification missions.
- ✦ Recommended consequence management actions to the CST Commander and the civilian Incident Commander.

72D, 4th CST-WMD Nov 2007 – Dec 2014

Environmental Science Officer

- ✦ Performed scientific analysis using the Analytical Laboratory Systems (ALS) mobile laboratory at incidents involving Chemical, Biological, Radiological or Nuclear (CBRN) agents etc.
- ✦ Advised Incident Commander, Lead Federal Agency and other DoD response element on the health effects of exposure to the causative agent.
- ✦ Gained familiarity in various analytical platforms such as RAPID Polymerase Chain Reaction (PCR), Bioveris M1M Immunoassay Electro-Chemical-Luminescence (ECL), Gas Chromatography- Mass Spectrometry (GC/MS), Fourier Transform Infrared Spectroscopy (FTIR) and Polarized Light Microscopy (PLM).

70B, 4th CST-WMD Oct 2004 – Nov 2007

Medical Operations Officer

- ✦ Served as the resource person to an Incident Commander during a response event on the medical administration aspects of hazardous exposures.
- ✦ Identified the requirements for victim transportation including the number and types of vehicles needed; provided advice on disbursement of casualties.

- ✦ Led the development of the team's Sample Plan; acted as an information conduit between the receiving confirmatory laboratory and the lead law enforcement agency.
- ✦ Ensured proper chain of custody, packaging and final disposition of all samples collected for offsite analysis.
